

Over the years, Our Waverunners have acquired a worldwide reputation for reliability and innovation. Thanks to this, we are the precursors of four-stroke technology. The result ? Our jet skis surpass all the others.

TECHNICAL CHARACTERISTICS	FX SVHO
MOTOR	
Bore x Stroke (mm)	86.0 x 78.0
Compression ratio	8.5 : 1
Fuel	Unleaded petrol
Fuel system	70.0
Oil tank capacity (L)	5.3
Engine type	In-line 4
Displacement (cm3)	1,812
Turbine (mm)	Haute pression 160
DIMENSIONS	
Height (m)	1,283
Length (m)	3,696
Width (m)	1,156
Dry weight (kg)	468
CAPACITIES	
Storage capacity (L)	166,7
No. of seats	1 to 3
EQUIPMENT	
Dashboard	✓
Front Mirrors	✓
Glove box	✓

Always wear a helmet, eye protection and protective proper clothing.
CICA encourages you to ride safely with responsible manners that comply with all laws while respecting the environment.
